YES! I would like to help sponsor the INTERNATIONAL PRESS CONFERENCE FOR RELIGIOUS PEACE, an Historic Event to be held at the United Nations Chapel on October 4th, 1985.

I feel it is time that World Religious Leaders came together in a show of SOLIDARITY to speak to the World Press about the position of the MAJORITY of people in the world (representing All religions) who are NOT EXTREMISTS and do NOT endorse any sort of malice towards those of other religious traditions.

I want the press to know that the people have the RIGHT to hear OBJECTIVE reporting on world-wide religious issues and that I do not endorse sensationalistic reporting which misrepresents the majority of people following any religion.

YES! The press should know that terrorists of any tradition do NOT have the support of the MAJORITY of people of any religious tradition (anywhere in the world) AND that to print or broadcast stories exclusively about terrorists rather than the average family of any culture is a distortion of the Truth.

YES! It is time for World Religious Leaders to show their mutual co-operation in their common Ideal of RELIGIOUS PEACE and RELIGIOUS FREEDOM; the freedom of each individual to practice his or her own faith wherever they might live.

This is my personal statment of support for the INTERNATIONAL PRESS CONFERENCE FOR RELIGIOUS PEACE.

I would like to enclose \$ 100⁰⁰ two to help this cause. My contribution is tax exempt and tax deductible.

Sincerely,
