Beloved Self,

Love and Blessings.

Thank you for your kind letter of invitation to your Advisory and Lecture Board.

I have just returned from nearly three months of travel abroad, thus this delayed response.

I am pleased to accept your kind invitation and to be of service in the noble cause of promoting interfaith and inter-cultural understanding.

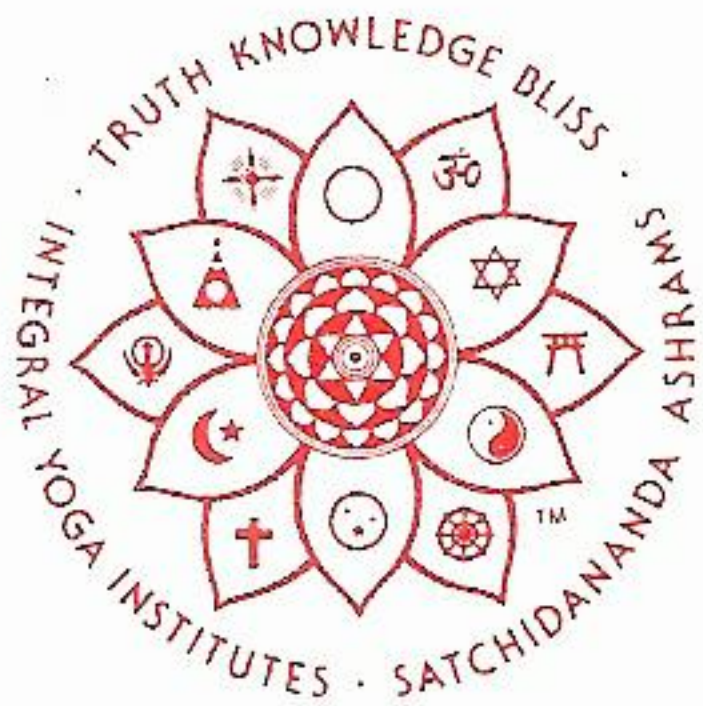

Please keep me informed of your activities, further details, so that if my schedule permits, I will be able to attend the International Press Conference.

With warmest wishes and prayers for success in all your worthy undertakings. God bless you. Om Shanthi, Shanthi, Shanthi.

Ever Yours in the Lord and Light,

Swami Satchidananda

P.S. I have instructed my staff to send you, for your interest, literature about the ecumenical shrine we are building and other activities in which I am involved.

Dearest Ajata & Virginia,

Hari OM and warmest greetings of love and light! Sri Swamiji sends you his loving regards. He received your letter and greetings and was happy to hear from you. Swamiji was delighted to know of your library project and sends you all his support and blessings for your success.

Swamiji asked me to look into our library and see what we could offer to fulfill your request.

I spoke to our librarian. As we are in the process of setting up the very same thing (isn't it a wonderful "coincidence"!) he said he will keep the request on file. As soon as the library set-up is complete, he will know of any duplicate books and will forward to you.

In the meantime, what we could immediately offer is a set of Swamiji's books. Please let me know if this would be useful.

So wonderful to see your wonderful work continuing. All of us at Yogaville wish you all peace and joy, love and light. Please come visit us whenever you can. OM Shanthi.

In the spirit of unity,

Swami Premananda
