Dear Ms. Virginia,

Assalamu-Alaikum (peace be up on you) Alhamdulillah (all praise to God).
Thank you very much for your recent letter and publications. I am sorry
that you could not find me on phone as I was busy with flood rehabilitation works.
As I told you during my last visit to New York that myself and one of my
young assistant Mr. Abul Hashnat Mohd. Shahinoor Alam (Passport No. F581893)
will be visiting New York from 4-7th February, 1989. We will be arriving by
Kuwait Airways flight No. KU 101 at New York on 4th February, Saturday at
1825 hrs. We will also discuss with our friends of Global Cooperation for a
Better world and others NGOs.

I will be grateful to you if you kindly send me an express letter. Hope you
all are well. Looking forward to see you in New York. May Allah (God) help us all.

With best regards,

Yours sincerely,
