Dear Ajata and Rabia,

Thanks for your new year greeting card. I too wish you very happy new year and all the best for it. We have been through a very painful period of religious hatred and communal discord. We are doing every thing possible here to promote peace and harmony. However aggressive communal propoganda is making our task more difficult. However we are doing whatever possible in these circumstances. I agree with you that during times of darkness people of goodwill should keep contact with eachother.

I was very happy to see on your greeting card As-Salam, Om Shanti and Joy and Peace printed together. We have to work in this spirit. May God bless you for your good work.

With salam and namaskar,

Yours sincerely,

Asghar ali Engineer
