Dear Ajata and Virginia:

I am very happy that you called recently and wish that I had been here to take the call. I feel a great deal of affinity toward you and your spiritual efforts and would like to be more involved with you on a personal if not business level. This is a time of turbulence throughout the world and especially India. It is truly a time when the concepts of peace and love need to be spread and encouraged amongst the people of this country and the rest of the world. If I can help in any way to further your efforts and goals I would be pleased to do so. Contact me at your convenience if you would like to get together. I look forward to hearing from you in the near future.

In the Name of the cosmos which prevails through everyBody and the holy Nam which holds the world.

Humbly yours,

Sat Jivan Singh
