Dear A.N. Sharma, A.S. Hamilton, Virginia D. Birdsall,

Sincere thanks for the December number of the Embrace, along with the wishes. I enjoyed reading it-it is well brought out-congratulations.

For me, dialogue is my life-a pilgrimage to the confluence of religious and spiritual traditions. All that I can wish you would like to wish you for 1989 is the courage and hope to join the game of the 'little ones'.

Do find enclosed herewith a copy of the statement of a 'Living Together for Greater Harmony' that was organized in Bombay...we carry on and on.

Yours in 'Embrace',

  
Fr. Albert Nambiaparambil cmi.
