Dear Madam,

My 1987 Festival as well as series of activities in and out of the country prevented me from reading your letter dated 8th October, 1987 in time. I am awfully sorry for this.

The purpose of this letter is to confirm acceptance of your offer of an Honorary Member of the Embrace International Board. I am very happy for the offer.

I further wish to seize this opportunity to thank you very much for your kindness.

Yours faithfully,

DR. OSEMWEGIE EBOHON, R.T.M.P.
