Dear Virginia,

Many thanks for your letter and your suggestions. May God help you and strengthen you in your work and commitment.

Yes, I am aware how much the United States needs a breakthrough in inter-religious dimension in general and with respect to Islam in particular. Our Foundation will be very much willing to plan something jointly with the Embrace Foundation on the Jewish-Muslim Dimension- let us think and reflect.

I shall be in the United States from March 1989 onwards as a Louise Illif Professor at the Illif School of Theology in Denver, and perhaps there will be some opportunities even earlier to meet you.

I wish you all the best- we are in contact always, and may the light that the Embrace Foundation reflects grow brighter night by night! Salam-

*Yours sincerely*
